### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the cited prior art does not teach a method for balancing the coordination of responses to connection requests comprising the steps of sending a connection request message from a specific network device to central location only in response to receiving a router availability message at the specific network device; and reassigning connection requests from a specific network device to a router under control of the central location, so that connection requests remain distributed among a number of available routers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kamini S Shah whose telephone number is 571-272-2279. The examiner can normally be reached on IFP.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jack B Harvey can be reached on 571-272-3896. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
